

Special Issue on

Numerical Simulation Methods in Advanced Metal Forming Processes

Call For Papers

A new Special Issue *Numerical Simulation Methods in Advanced Metal Forming Processes* (<http://www.applmath.org/sinfo/148021>) has been launched in *American Journal of Applied Mathematics* (<http://www.applmath.org>). This Special Issue intends to collect research achievements concerning Metal Forming Process. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Feijun Qu

Affiliation: University of Wollongong, Wollongong, Australia

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.applmath.org/submission>

Topics of Interest Include (but not limited to):

- ◆ Numerical Methods
- ◆ Mechanical Properties
- ◆ Tribological and Fatigue Behaviors
- ◆ Metal Forming Processes
- ◆ Constitutive Relations
- ◆ Materials Characterization

Important Dates

Submission Deadline: **Jul. 20, 2020**

Publication Deadline: **Sep. 20, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
