Papers Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript by
<http://www.nursingscience.net/submission>

Topics of Interest Include (but not limited to):

- ◆ On the basis of fully consulting domestic and foreign literature, through the multi-point ethnography research method, the researcher conducted field investigation on 3 nursing units, so as to deeply elaborate the process and connotation of "love culture" in the nursing practice
- ◆ Exploring the process and connotation of "love culture" and "love theory" in the process of nursing practice
- ◆ By integrating multi-point ethnographic data and grounded theoretical data, this paper will discuss how loving nursing spirit affects nursing practice
- ◆ Based on the research method of grounded theory, in-depth interviews will be carried out on the respondents, and the end domain theory will be formed by analyzing the recording text, news media, meeting minutes and other data: the model of "love theory" in the process of nursing practice
- ◆ Exploring the factors, process and mechanism of nursing spirit on nursing practice
- ◆ This topic will provide theoretical basis for solving the existing contradictions in nursing practice and scientific evidence for clinical nursing practice

Important Dates

Submission Deadline: **May 20, 2020**

Publication Deadline: **Jul. 20, 2020**
