Special Issue on

Enhancing the Revolution and Rapid Development in Computer and IT Fields

Call For Papers

A new Special Issue *Enhancing the Revolution and Rapid Development in Computer and IT Fields* (http://ajcst.org/sinfo/303001) has been launched in *American Journal of Computer Science and Technology* (http://www.ajcst.org). This Special Issue intends to collect research achievements concerning Computer and IT Fields. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

Lead Guest Editor

Lead Guest Editor: Dr. V. Sheeja Kumari

Affiliation: Department of Computer Science Engineering, St. Thomas College of Engineering and Technology, Kozhuvalloor, Kerala, India

Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via

http://ajcst.org/submission

Topics of Interest Include (but not limited to):

- Ad hoc networks for pervasive communications
- Artificial Intelligence
- Broadband wireless technologies
- Cloud Computing and Applications
- Communication architectures for pervasive computing
- Computer and microprocessor-based control
- Computer Architecture and Embedded Systems
- Computer Vision
- Computer Science and Its applications
- Database Theory and Application
- Data Base Management System
- Data Mining
- Decision making
- Distributed Sensor Networks
- Distributed Computing
- Evolutionary computing and intelligent systems
- Expert approaches
- Fuzzy logics
- Human Computer Interaction (HCI)
- Image analysis and processing
- Information and data security
- Internet Technologies, Infrastructure, Services & Applications
- Mobile Computing and Applications
- Multimedia Communications
- Network Modeling and Simulation
- Network Performance; Protocols; Sensors
- Networking theory and technologies
- Pattern Recognition
- Real-time information systems
- Remote Sensing
- Security Technology and Information Assurance
- Soft Computing
- Software Engineering & Its

		Applications
◆ Signal Control System & Processing	◆ Speech interface; Speech processing	◆ Ubiquitous Multimedia Computing
◆ Web Technologies	◆ Mobile Internet devices	

Important Dates

Submission Deadline: **Dec. 25, 2019**

Publication Deadline: **Feb. 25, 2020**

Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
