

# Special Issue on Application and Development of Sustainable Building Materials

## Call For Papers

A new Special Issue *Application and Development of Sustainable Building Materials* (<http://www.jccee.org/sinfo/617008>) has been launched in *Journal of Civil, Construction and Environmental Engineering* (<http://www.jccee.org>). This Special Issue intends to collect research achievements concerning Building Materials. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

### Lead Guest Editor

Lead Guest Editor: Marcelo Adriano Duart

Affiliation: Department of Engineering and Buildings, Federal Institute of Paraná, Foz Do Iguaçu, Brazil

### Paper Submission

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via <http://www.jccee.org/submission>

### Topics of Interest Include (but not limited to):

- ◆ Material recycling
- ◆ Mechanical property of materials
- ◆ Durability of constructions
- ◆ Nanoparticles incorporation
- ◆ Carbon Capture Method
- ◆ Building sustainability

### Important Dates

Submission Deadline: **Feb. 25, 2020**

Publication Deadline: **Apr. 25, 2020**

### Join as Guest Editor

For scholars who have intention to join the special issue as guest editor, please check out the link below:
